

GOVERNMENT ENVIRONMENT

Tudelü system's offer flexibility, security, and operational efficiency while maintaining high standards for privacy, safety, and design integrity. They support the varied functions and needs of government offices, conference spaces, hearing rooms, and public service areas.

TUDELÜ SYSTEM BENEFITS

- 1 SECURITY AND PRIVACY**
Retractable walls provide superior sound insulation, ensuring that confidential discussions, meetings, and operations are shielded from eavesdropping or external distractions. This is essential for government offices handling sensitive information.
- 2 DURABILITY AND COMPLIANCE**
Government environments demand robust, long-lasting products that can handle frequent use. Retractable walls are constructed from durable materials to ensure longevity in high-traffic areas, government offices, or public spaces.
- 3 SPACE FLEXIBILITY**
Government buildings often need to adapt to different functions, such as transforming a large conference room into smaller meeting spaces, or creating open spaces for events and hearings. Retractable walls allow for easy, on-the-fly reconfiguration to meet the changing demands of the space.

OUR SERVICES

-  **AMERICAN**
Engineering, design, and manufacture all done in the USA
-  **MOTORIZED**
100% remote controlled for zero manual effort
-  **COMPACT**
Full system has tiny footprint in ceiling, starting from 10" x 10"
-  **INSTALLABLE**
Easy install for new construction and retrofitting

Key Benefits of the **Tudelü Systems**

Customizable Sizes of up to 20ft wide x 10ft tall

36 - 48 True STC sound barrier for effective sound reduction. This is the same noise reduction as traditional dry wall.

Easy Installation, either through Tudelü direct or through our step-by-step instructions.

100% Motorized - anyone can operate this product with a simple press of a button.

Durable Material - including powder coated extruded aluminum.

Patented Technology - including Stable Griprail Technology.

Compact Footprint - featuring inset design options, meaning ZERO eye sores.

Seamless Design - No matter your dimensions, Tudelü walls won't hurt your aesthetic.

Built-in Safety - auto open feature when the system feels the slightest resistance, so you and your furniture are both safe.

Easy Maintenance - simple soap and water will keep your system looking new for years to come.
