

Walls that move you

Private

Introducing Strategic Division **Private** – a revolutionary operable partition wall designed to redefine your space, bringing people together while ensuring ultimate privacy. Conquer your world with the **Private** Series, a real wall for real-life applications.

The **Tudelü**-developed wall panels ensure stylish closure you can trust. Featuring tight stretch (magnets + weights) for easy, stationary division, dual-sided decor finish for discrete yet stylish functionality, and seamless, no-line fabric for a smooth, sleek partition. In addition, the **Private** system features a true 36 STC rating for sound proofing. This means that since it is one solid wall, no breaks or folding segments, the rating is true throughout. Making it the perfect pairing for any location.

Ideal Environments

Key Benefits of the Tudelü Systems

-  Customizable Sizes of up to 20ft wide x 10ft tall*
-  36 True STC sound barrier for effective sound reduction. This is the same noise reduction as traditional dry wall.
-  Easy Installation, either through Tudelü direct or through our step-by-step instructions.
-  100% Motorized - anyone can operate this product with a simple press of a button.
-  Patented Technology - including Stable Griprail Technology.
-  Compact Footprint - featuring inset design options, meaning ZERO eye sores.
-  Seamless Design - No matter your dimensions, Tudelü walls won't hurt your aesthetic.
-  Built-in Safety - auto open feature when the system feels the slightest resistance, so you and your furniture are both safe.
-  Easy Maintenance - simple soap and water will keep your system looking new for years to come.
