

Walls that move you

Secluded

Introducing **Secluded** by **Tudelü**, a revolutionary electric partition wall system designed to bring tranquility to your busy life. In a world filled with constant distractions, **Secluded** emerges as the perfect solution to create a serene oasis within your home.

Crafted with modern living in mind, **Secluded** seamlessly integrates into your space, allowing you to effortlessly transform your environment at the touch of a button. Say goodbye to the world of the outside distractions and embrace the calmness that **Secluded** brings. Whether you're looking to create a private workspace, a cozy reading nook, or simply block out the noise, **Secluded** is your customizable sanctuary. The innovative technology behind **Secluded** ensures a smooth and quiet operation, providing you with the perfect balance of functionality and elegance.

Ideal Environments

Key Benefits of the Tudelü Systems

-  Customizable Sizes of up to 20ft wide x 10ft tall
-  38 True STC sound barrier for effective sound reduction. This is the same noise reduction as traditional dry wall.
-  Easy Installation, either through Tudelü direct or through our step-by-step instructions.
-  100% Motorized - anyone can operate this product with a simple press of a button.
-  Patented Technology - including Stable Griprail Technology.
-  Compact Footprint - featuring inset design options, meaning ZERO eye sores.
-  Seamless Design - No matter your dimensions, Tudelü walls won't hurt your aesthetic.
-  Built-in Safety - auto open feature when the system feels the slightest resistance, so you and your furniture are both safe.
-  Easy Maintenance - simple soap and water will keep your system looking new for years to come.
